

**Self-Serve Portals
for Your Partners**

**Automated Invoices
and Payments**

**Easy Parking
Validations**

**Streamlined Employee
Parking Permits**

Powerful AR, Built for Parking.

GMP's Partner Portal is a one-stop AR-Permit solution that automates billing and payments for your partnerships. Give your partners self-serve portals through which they can buy and assign validations or permits, manage their parkers, receive invoices, and settle payments online. Just automate it and forget it!

Easier payments with hassle-free, automated invoices

**Live AR aging reports
and account ledgers**

**Auto-pay for
partners with a card
on file**

**Process bulk
checks or cash
payments**

**Set must-take
limits and
overage charges**

**Validate parking
sessions with QR
codes**

**User-friendly self-serve
portals**
